RESPONSE TO THE NOTIFICATION OF DEFECTIVE RESPONSE

Mail Stop PCT

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

In response to the Notification of Defective Response (mailed September 1, 2006) (**copy enclosed herewith**), applicants submit herewith the following items:

- (i) ***two substitute compact disc copies*** of the Sequence Listing, labeled “**COPY 1 REPLACEMENT (09/18/2006)**” and “**COPY 2 REPLACEMENT (09/18/2006)**”;
- (ii) ***one substitute copy of the computer readable form*** of the Sequence Listing, labeled “**COPY 3 (for 371 cases) REPLACEMENT (09/18/2006)**”;
- (iii) Statements in Accordance with 37 C.F.R. § 1.825; and
- (iv) Third Supplemental Preliminary Amendment, directing entry of the substitute compact disc copies of the Sequence Listing into the present application.

The Notification of Defective Response alleges that the compact disc copy of the Sequence Listing is not the same as the computer readable form of the Sequence Listing. Thus, the U.S. Patent and Trademark Office (“USPTO”) has required applicants to provide a substitute paper or compact disc copy of the Sequence Listing, as well as an amendment directing its entry into the application. Applicants respectfully submit that the items

submitted herewith and listed above are sufficient to satisfy the requirements set forth in the Notification of Defective Response.

Further, applicants note that the Notification of Defective Response included a two-page attachment (**copy enclosed herewith**) from the Biotechnology Systems Branch of the Scientific and Technical Information Center ("STIC"). On page 1 of the STIC attachment, STIC indicated that the only problem with the computer readable form of the Sequence Listing was that it was not saved in ASCII text. Page 2 of the STIC attachment included further information of the nature of the problem. In particular, STIC indicated that more than one file was included on the computer readable form of the Sequence Listing, and that this was in violation of 37 C.F.R. § 1.824.

Therefore, in response to the Notification of Defective Response and to the comments provided in the STIC attachment, applicants have submitted herewith a substitute Sequence Listing on compact disc (2 copies) and computer readable form. Applicants respectfully submit that the compact discs containing the substitute Sequence Listing and the computer readable form thereof each include just one file, and that each of these files (i.e., the substitute Sequence Listing) is saved in ASCII text format.

In view of all of the foregoing, applicants submit that this case is complete and ready for examination by the USPTO, and such examination is earnestly solicited. If any additional fees are due in regard to the Notification of Defective Response, the Commissioner is hereby authorized to charge any such fees to Deposit Account No. 14-1138.

Respectfully submitted,

/Andrew K. Gonsalves, Reg. No. 48,145/
